MAGLIFICIO PINI

■ Who are we?

KNITWEAR MANUFACTURER

Since 1977, we have been producing in Italy the highest quality fully fashioned knitwear for some of the most important fashion houses around the world.

40

Is the number of people that our team is made up of.

50.000

Is the number of pieces we can produce each year.

OUR COMPANY

■ What can we do? —

RESEARCH AND DEVELOPMENT

We support the brands in the choice of the best yarn and stitch to make the designers' ideas come to life .

SAMPLING

We have a quick turnaround to develop pieces that follow the designers guidelines. We put extra care into details so that also production is optimized.

PRODUCTION

The garments are handled and looked after one by one in every single phase to constantly guarantee an excellent result. Our MOQ is 50 pieces per style.

SOME OF THE PIECES
WE HAVE PRODUCED
