Mandelli

MADE IN ITALY

WWW.MANDELLI-MILANO.COM

There are
not many
families who
can claim
to be in the
fashion
business
for over
a century.

Mandelli
MADE IN ITALY

Enrico Mandelli Spa was founded in 1954 and today we have the fourth generation driving the company.

Andrea Mandelli intends to build on his inheritance and further the creativity and excellence for which the Mandelli name is known.

Mandelli
MADE IN ITALY

Today Enrico Mandelli Spa is the only Italian company, totally made in Italy, that has the know-how to create the softest leather jackets on the market.

For more than a century Mandelli continues to serve the very top retailers worldwide and to work with the most successful brands.

Since 1954 Mandelli plays a dynamic leading role in the luxury lifestyle and craftsmanship is a crucial mission to guarantee its clients the excellence of italian made products.

Mandelli jackets are created with the finest raw material perfect for leisure time and city dressing.

OUR EXCELLENCE:

Mandelli is proud to be
unique and leader in the
technology of Soft Cro-
codile garments.

An exclusive Mandelli
creation with unex-
pected softness and
never before achieved
thinness.
