

# REVENANT

## RV NT

**REVENANT (Eng)** - Survivor; Survivor.  
| From lat. Redivivus 'restored, renovated'.  
Who returns after a long absence; returned to new life.

The sporty collection is targeted to men, for whom T-shirts and sweaters are a uniform worn from day to night regardless of location. The line comprises black and white short-sleeved T-shirts, sweaters, jogging bottoms and, summer must-have, basketball shorts, which are all black to draw full attention to the provocative prints. Copious volumes and “bad fits” are embellished with a variety of printing techniques, where transfers reigns supreme, giving a taste of the glorious trends of the 90’s, the years the designer grew up and when fashion was imprinted on him.

The collection is entirely produced in Italy, created in collaboration with the best suppliers in the industry. The materials are 100% cotton, both the jersey and the twill sweat fabric that looks like knitwear. The brand debuted with the men's collection for spring / summer 2019.

“The **Revenant rvnt** man is someone who loves cultures and sub-cultures, who is able to mix and match a variety of different styles. An international late-night soul, his heart beats at 130BPM. He likes fashion but it doesn't take over his life. Ironic, not iconic” **concludes - Tommaso Bencistà Falorni, Co-Founder & Designer, Revenant rvnt.**
