LUXURY AND TECHNOLOGY  
MADE TO MEASURE

# LUXURY AND TECHNOLOGY

SKUDOMADE ITALIA IS A BRAND OF EXCELLENCE IN THE MADE IN ITALY BESPOKE MEN'S OUTERWEAR SECTOR. EACH ITEM IS AS UNIQUE AS THE WEARER.

# MADE TO MEASURE

The shape and style of Skudomade overcoats were born from a **careful study of our core values**. Skudomade is a tangible **symbol of excellence** of a product that is made entirely in Italy.

It is essential for us to be in **harmony** with and often ahead of **developments** in of the fashion industry.

# OUR STORY: MISSION AND VALUES

That's why our ideas are in constant evolution and oriented towards new customer needs. Each overcoat is unique and the result of a process of research and development. Our mission and the nature of our business vision come from the marriage between Italian craftsmanship and the search for a product in line with environmental and social sustainability.

# SKUDOMADE COLLECTION

Be inspired by the outfits already created by Skudomade designers. Our constant research into new technical fabrics matched with research on natural eco-compatible fibers makes each piece water, wind, thorn and stain proof, resistant to UV rays and breathable.

# STYLE AND TECHNOLOGY

The desire of Skudomade is to create a **link between artisan techniques and modern production processes**. An Italian overcoat designed to meet and exceed the demands of a specific market segment, offering style, individuality and **advanced technology**.

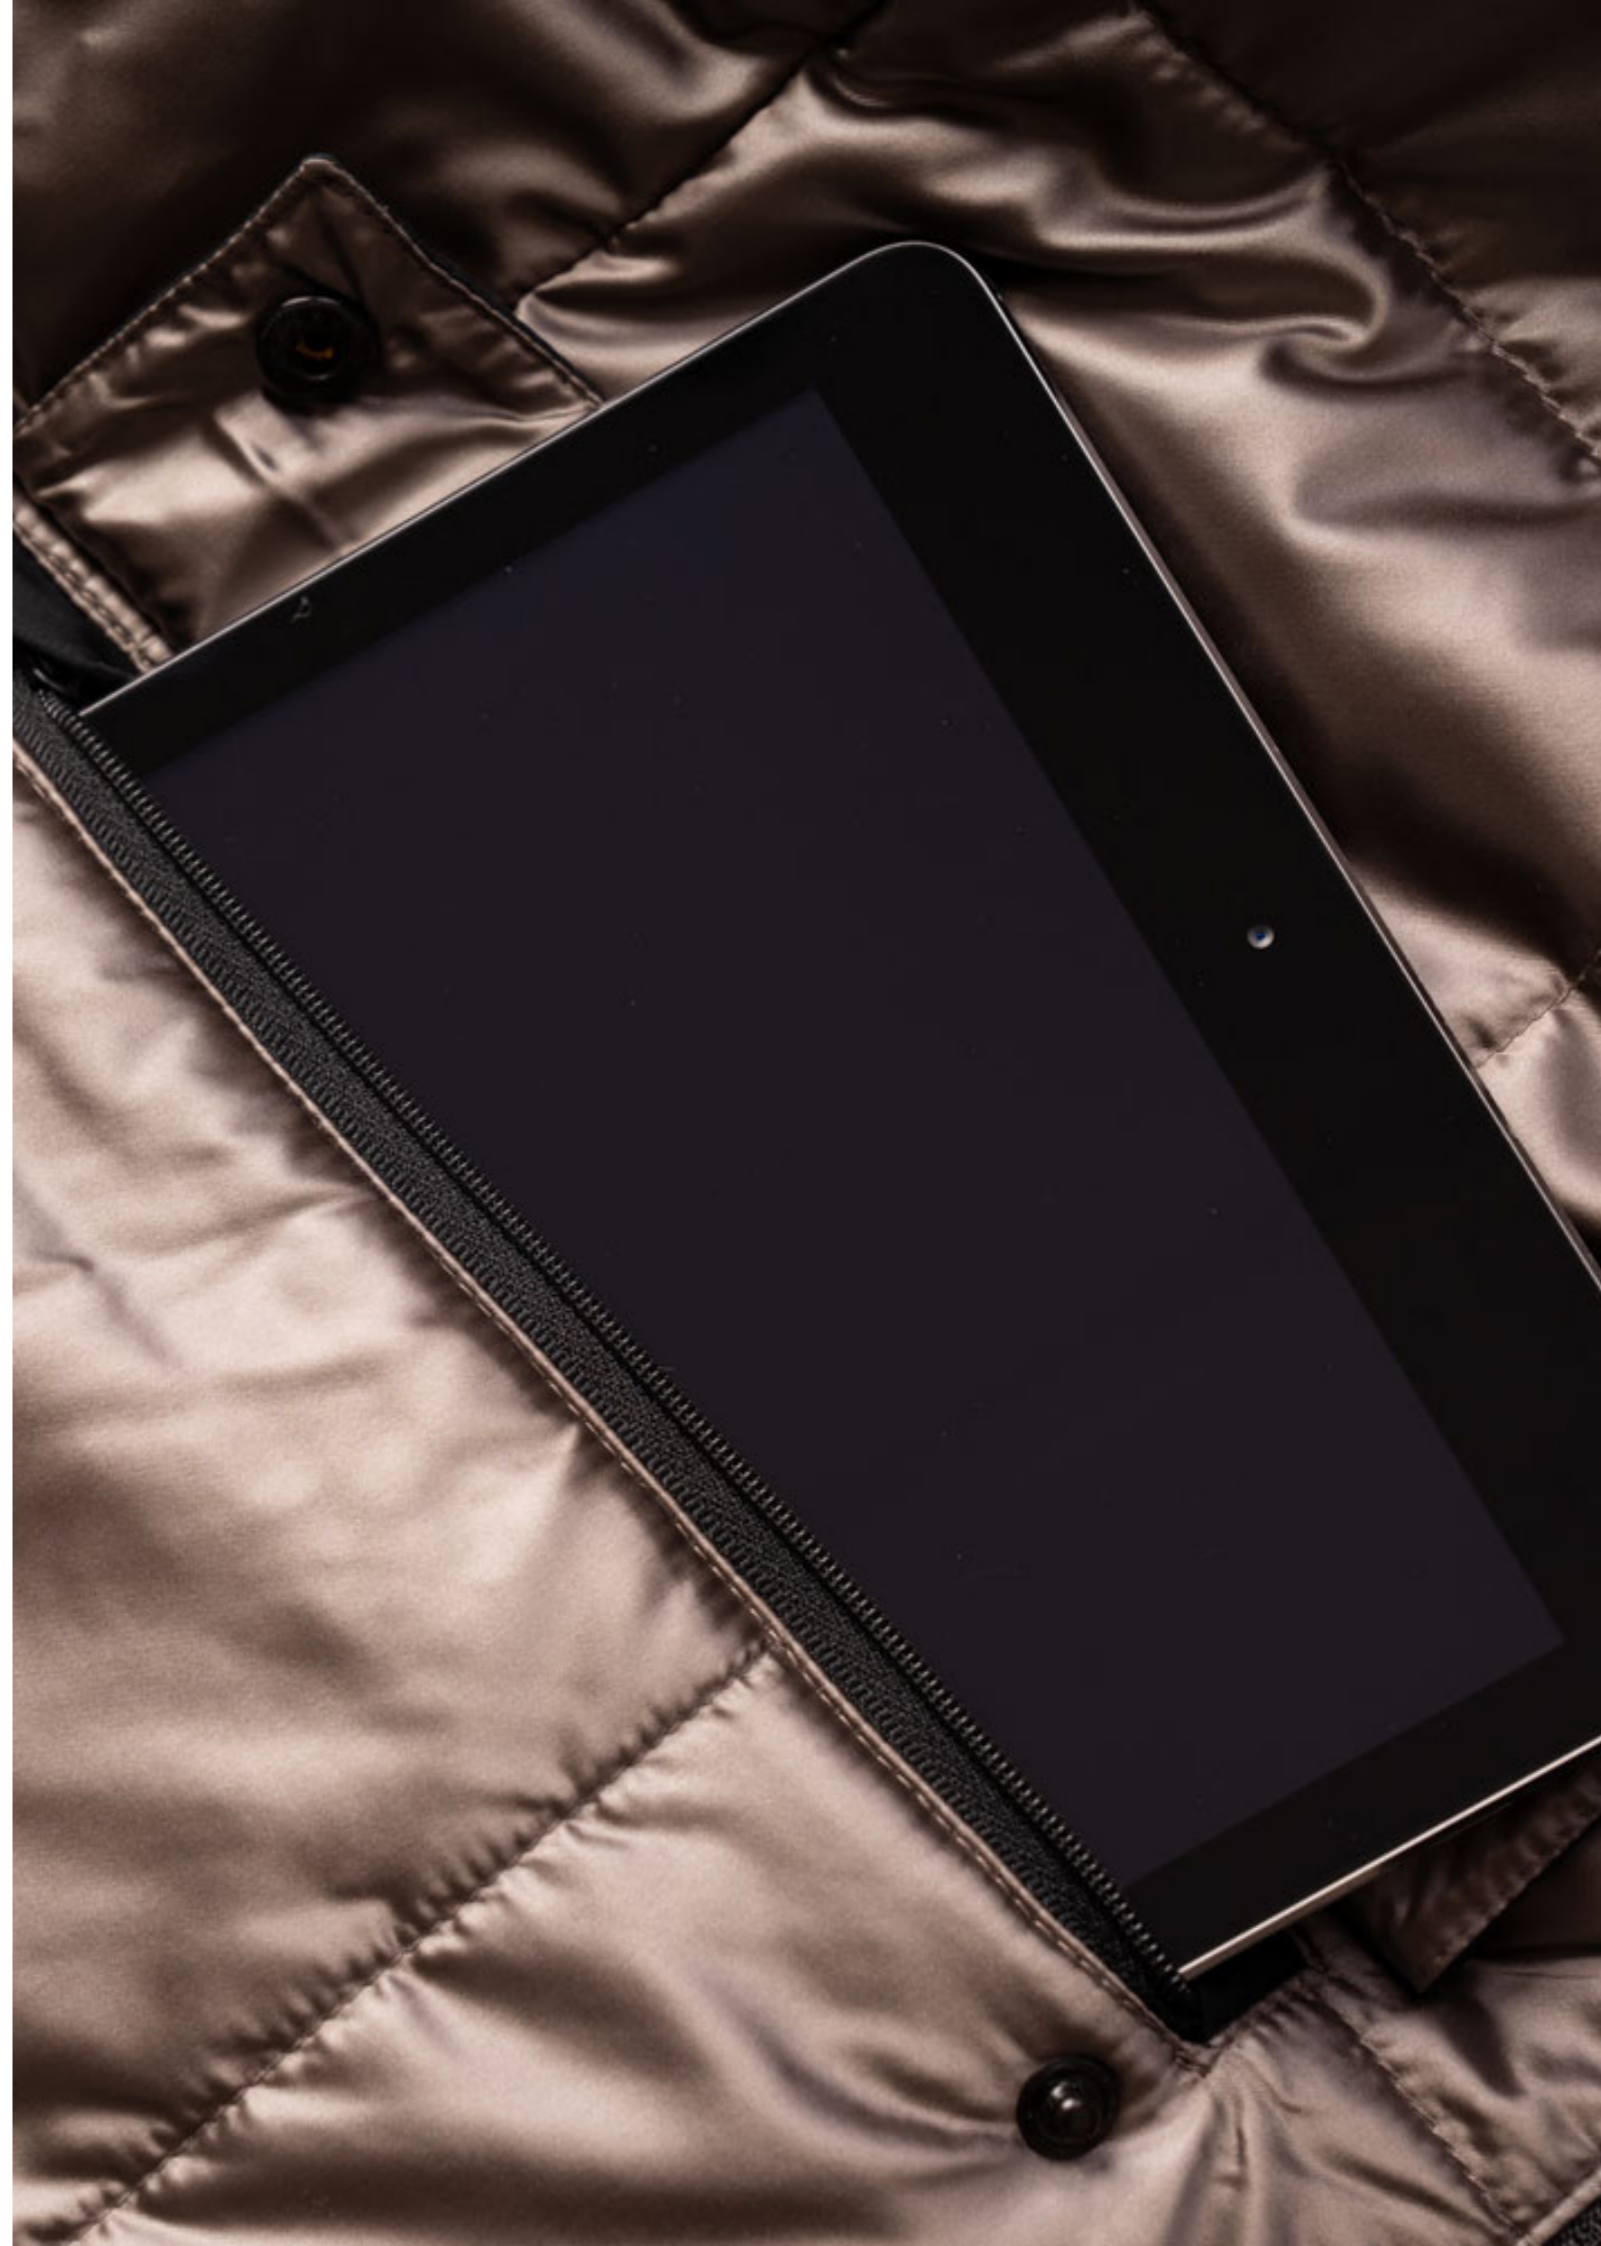

# TECHNICAL FABRICS AND TECHNOLOGICAL FEATURES.

We want to offer you the highest quality available in the luxury fashion industry. Our coats satisfy and exceed contemporary man's expectations in terms of elegance, comfort and versatility.

# OUR RESPONSIBILITY. OUR BEST RESOURCE.

A careful eye on the environmental and social sustainability to create a unique, handmade overcoat.

The constant search for new technical fabrics, coupled with natural and eco-friendly fibers, makes our overcoats waterproof, stain repellent, breathable and above all resistant to wind, weather, UV rays and abrasion.

In a world full of mass production we have chosen zero stock. This means that we produce only on request, only ad hoc garments for each customer, avoiding any waste, in order to have a minimal impact on the environment.
