

**VINTAGE SELECTION n. 38:
“Intothewild”
on stage at Padiglione delle Ghiaia of FORTEZZA DA BASSO**

Vintage Selection n.38, the reference show for vintage clothing, accessories and objects of vintage design, will be staged at the Padiglione delle Ghiaia of the Fortezza da Basso and will re-open its doors not only to professional buyers but to all passionate.

On stage from **Wednesday 29 June to Friday 1 July 2022**, ***Vintage Selection*** confirms the close connection with **Pitti Filati**, the event organized by Pitti Immagine at the Fortezza da Basso which presents the excellence of spinning on an international scale to an audience of top buyers, designers of the most prestigious maisons, creatives and fashion experts from all over the world. A hyper-specialized audience, to whom ***Vintage Selection*** offers each time an experience full of stimulation with a high creative coefficient, in its role as a concept lab for past trends and an extraordinary archive from which to draw research ideas.

Vintage Selection n. 38 is linked to the theme of the Spazio Ricerca of Pitti Filati, **Intothewild**. We live in an era driven by progress and performance, which however remains wild: the theme will retrace the timeline of human evolution to launch itself in search of a primitive future marked by the sense of fluid, uncontaminated and (re)discovery. The autumn/winter 2023-24 trends are dedicated to the theme of the wild, in the exhibition space curated as in every edition by Angelo Figus and Nicola Miller.
