Mission & community

Our social mission in Momset is for moms to understand their strengths, to be able to laugh at their problems and never doubt their power. Momset moms are modern, witty and progressive moms who combine a sense of fashion with ironic overview on motherhood.

Every new collection is dedicated to new moms topics that cover crucial motherhood issues whereas contributing to creating ***moms' community.***

Working principles

Momset is female founded brand with 100% female workforce engaged into in-house activities. 80% of our employees are moms.

Momset is happy to be a modern and progressive brand, maintaining sustainable activity. Premium quality fabrics, flexible working conditions, respect and opportunities in work ethics are key elements of our work.
