RISTORANTE A PIETRASANTA

PIETRASANTA - November, 13th 2024

At Fortezza da Basso in Florence, the TASTE event, the Pitti Immagine trade fair for food & beverage professionals, is back, now at its 18th edition, from 8 to 10 February 2025. The theme of the fair will be 'Born under the sign of taste' when Fortezza da Basso will be transformed into a set of constellations where samples to eat and drink, sweet and savoury, are intertwined with content and experiences. A stellar journey into the universe of food and wine.

Filippo Di Bartola, owner of the restaurants in Pietrasanta and Forte dei Marmi that bear his name, will be offering refreshments to interstellar travellers amidst the countless constellations of this edition of the Fair.

For the second year running, Taste chooses to renew its collaboration with Filippo Di Bartola and even extends it, involving the brilliant Versilia entrepreneur in the organisation of the event in a more systemic way, with particular attention to the creative aspect.

This year, the project curated by Filippo Di Bartola will be even more convivial and shared, with the main proposal outlined as a modern reinterpretation of the classic Deli counter, but also including a couple of stations where some of Filippo's iconic dishes will be cooked and prepared on the spot, to offer that touch of craftsmanship and thrill that has always characterised Filippo Di Bartola's offerings.

Patron of the restaurants of the same name in Pietrasanta and Forte dei Marmi, Filippo Di Bartola has recently entered into an important partnership with Peck Milano in the Forte dei Marmi gastronomy, further underlining his image as versatile and multifaceted, always ready to launch into new projects and collaborations.
